LetsGrowMore

01 Mar, 2023 - 03 Apr, 2023

Mr Aman Kesarwani

Key Skills: html css Javascript Visual Studio Problem Solving React.js

Intern, LetsGrowMore
Duration: 1 Month

During my one-month internship at LetsGrowMore, I successfully completed four diverse projects, showcasing my proficiency in web development technologies.

1. To-Do List Application:

Developed a dynamic To-Do List using HTML, CSS, and JavaScript, demonstrating strong front-end development skills. Implemented interactive features to enhance user experience.

2. Registration Form:

Designed and implemented a responsive Registration Form utilizing HTML, CSS, and JavaScript. Ensured user-friendly interfaces and incorporated form validation for data accuracy.

3. Calculator Application:

Created a functional calculator application using HTML, CSS, and JavaScript. Implemented mathematical operations and crafted an intuitive user interface for seamless user interaction.

4. Web Application using create-react-app:

Leveraged the power of React.js to build a robust web application using create-react-app. Applied component-based architecture, state management, and responsive design principles to deliver a modern and dynamic user experience.
